Fiction

- A genre that you don't normally read
- Translated book (reading in a language other than the one in which it was originally published)
- A book with a number or color in the title
- A book where one of the main characters is/was a real person
- Historical novel that takes place in the 19th century or older
- A book that takes place in your hometown, home state or somewhere you have lived
- A book you should have read in high school but didn't

Nonfiction

- True Crime title (contemporary or historic)
- A popular book on an academic subject
- A book of essays or poetry
- A book with a different viewpoint than your own (religion, politics, race, ethnicity, culture, etc.)
- Memoir published in the last twenty years
- A history title that takes place in the same era as your historical fiction choice
- A book on a subject that interests you
